I wish I was dead before seeing this day coming! Before seeing those innocent people getting tortured by police to death for no reason, neither their cry for mercy nor their splashing blood has stopped those Egyptian police officers from committing that horrific crime!!!

" Your Brother is dead" that's the nightmare call that Mohammed Ateya received on the night of December the 7th, 2010.

Mohammed panicked and ran blindly to the Akhsheed street at Alkabary area, Alexandria, Egypt, expecting to see his older brother's dead body but he found people gathering crying and shocked of the horrific scene that they just witnessed.

Eye Witnesses started telling Mohammed the story while crying in pain and sigh, how his older brother was attacked by 2 police officers, claiming that Moustafa Ateya (victim) has a court order against him due to his bank loan that wasn't paid on time.

Moustafa Ateya did resolve the issue with the bank and had documents that proves that he paid the loan off, but they refused to see those documents and started kicking him and dragging his body for 1 kilometer, 1 kilometer!! in the middle of the street infront of hundreds of people , till he died due to his injuries as a result of the continuous hitting that lasted for 20 minutes !! That's a human we are talking about.. a father of 4 toddlers and a good husband.

Cant stop my tears from flowing while writing this sad report.
