# Continuous Experimentation and A/B Testing: A Mapping Study

Rasmus Ros and Per Runeson

# A/B Testing

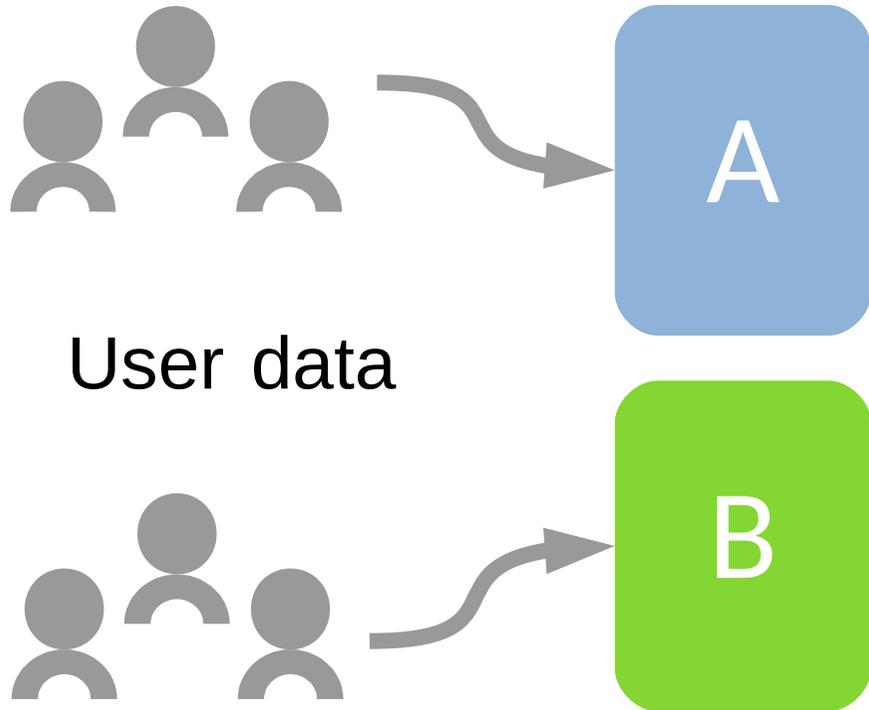

---

- Software changes
  - User interface tweaks
  - Algorithm parameters
  - "Old" vs "new" feature

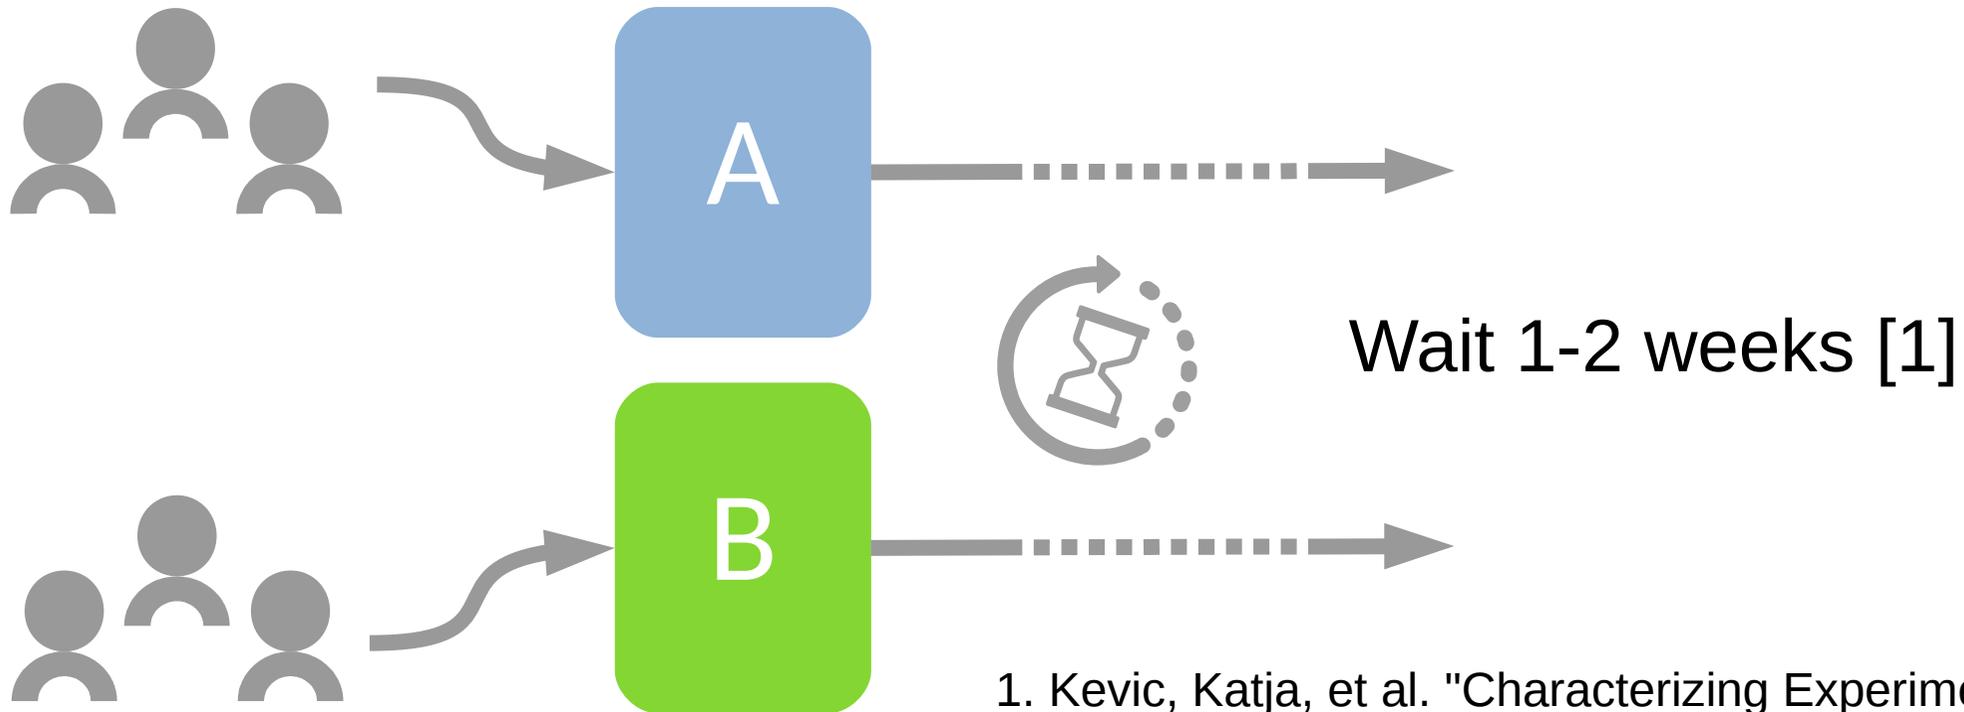

# A/B Testing

---

# A/B Testing

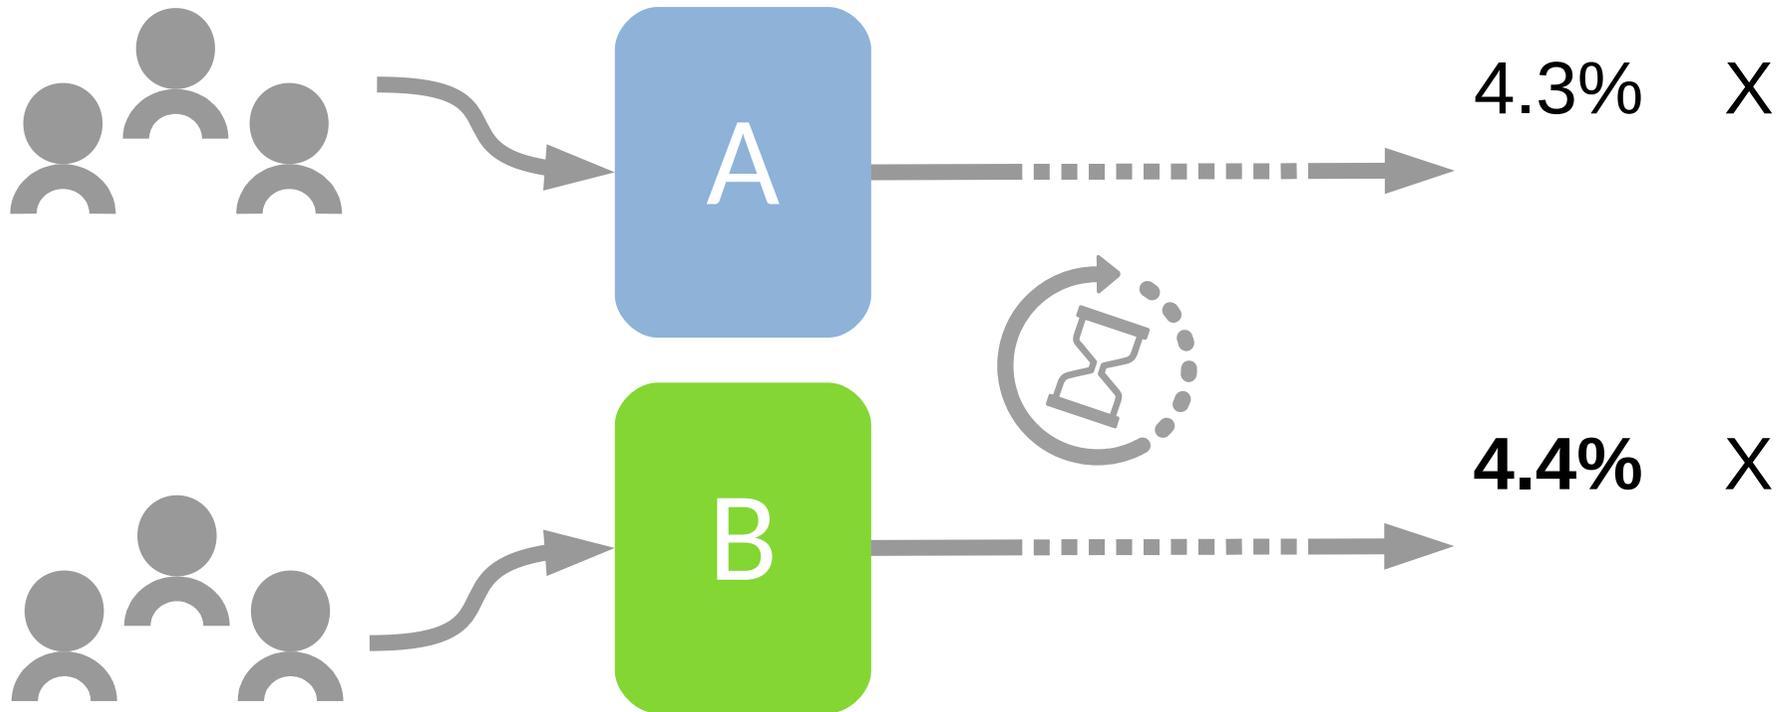

---

# A/B Testing

# A/B Testing

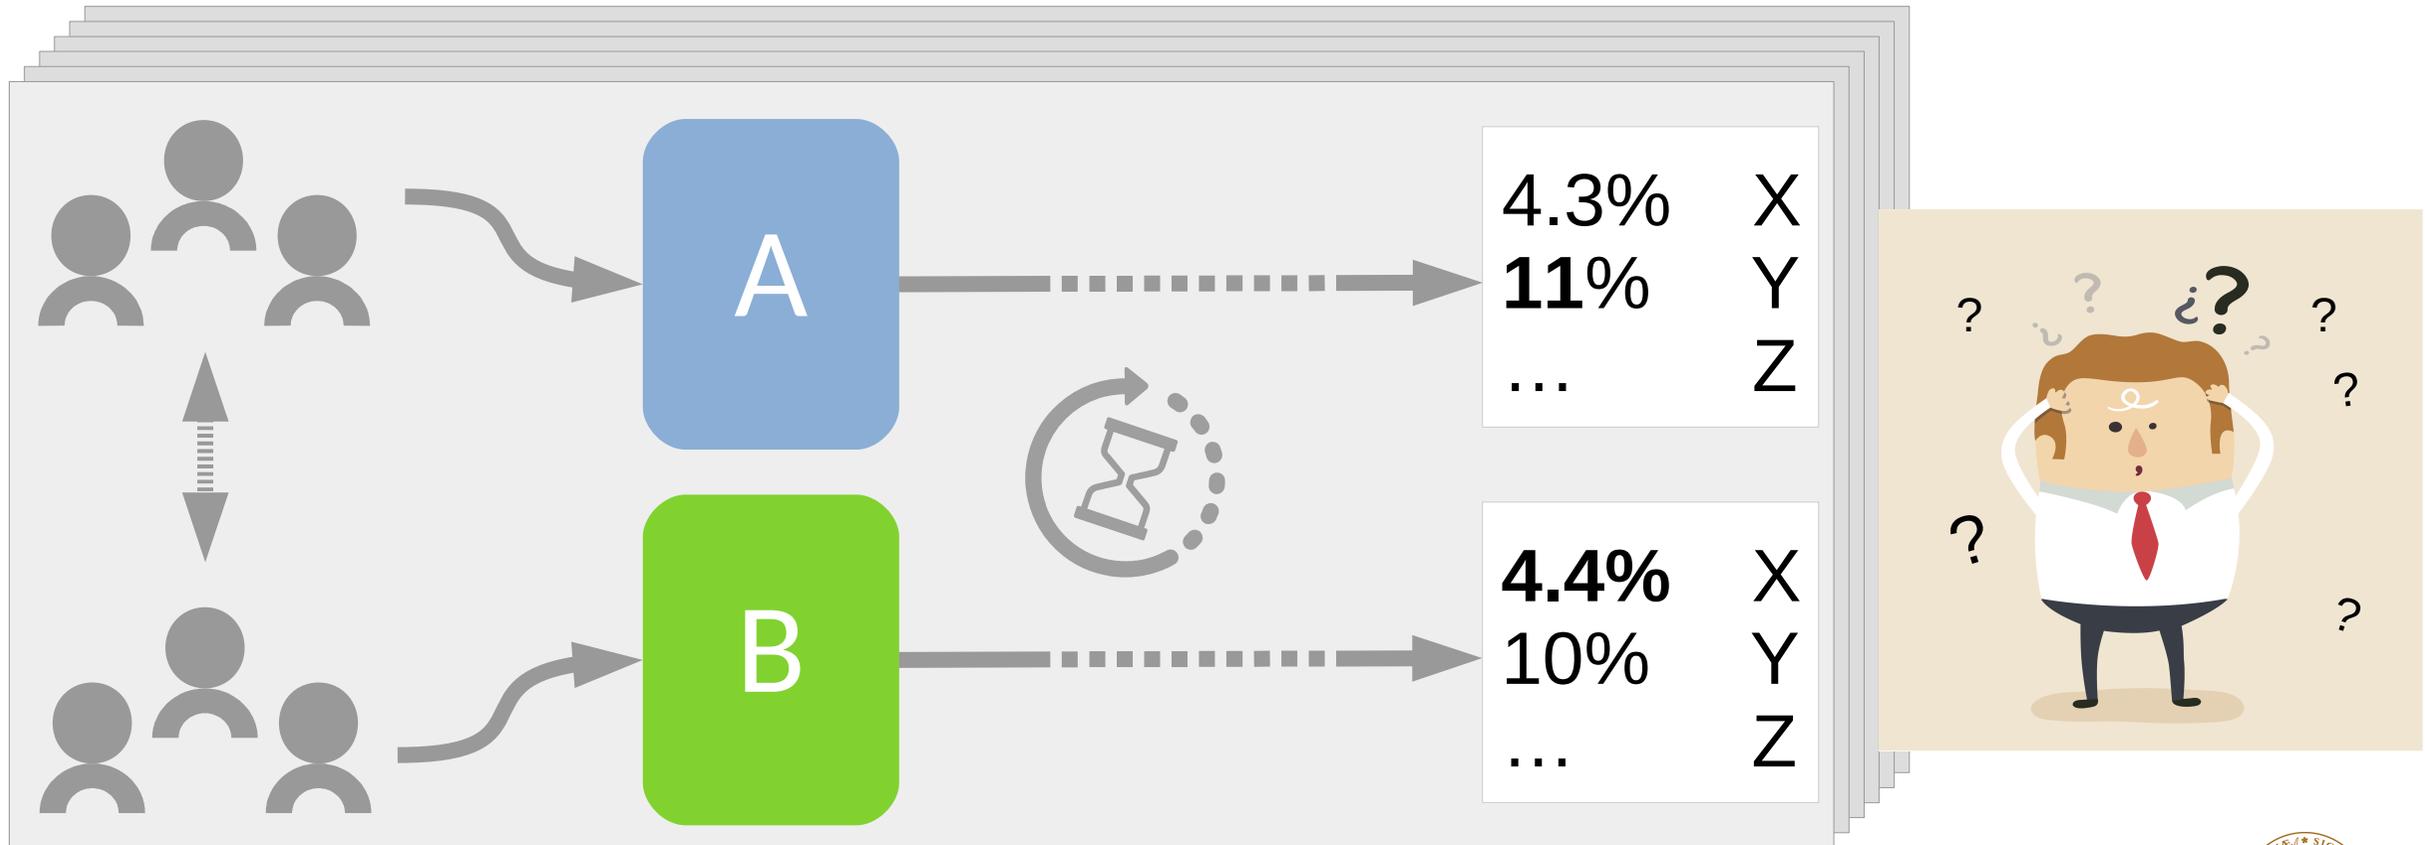

# A/B Testing

# A/B Testing

# A/B Testing

Wait, there's more!

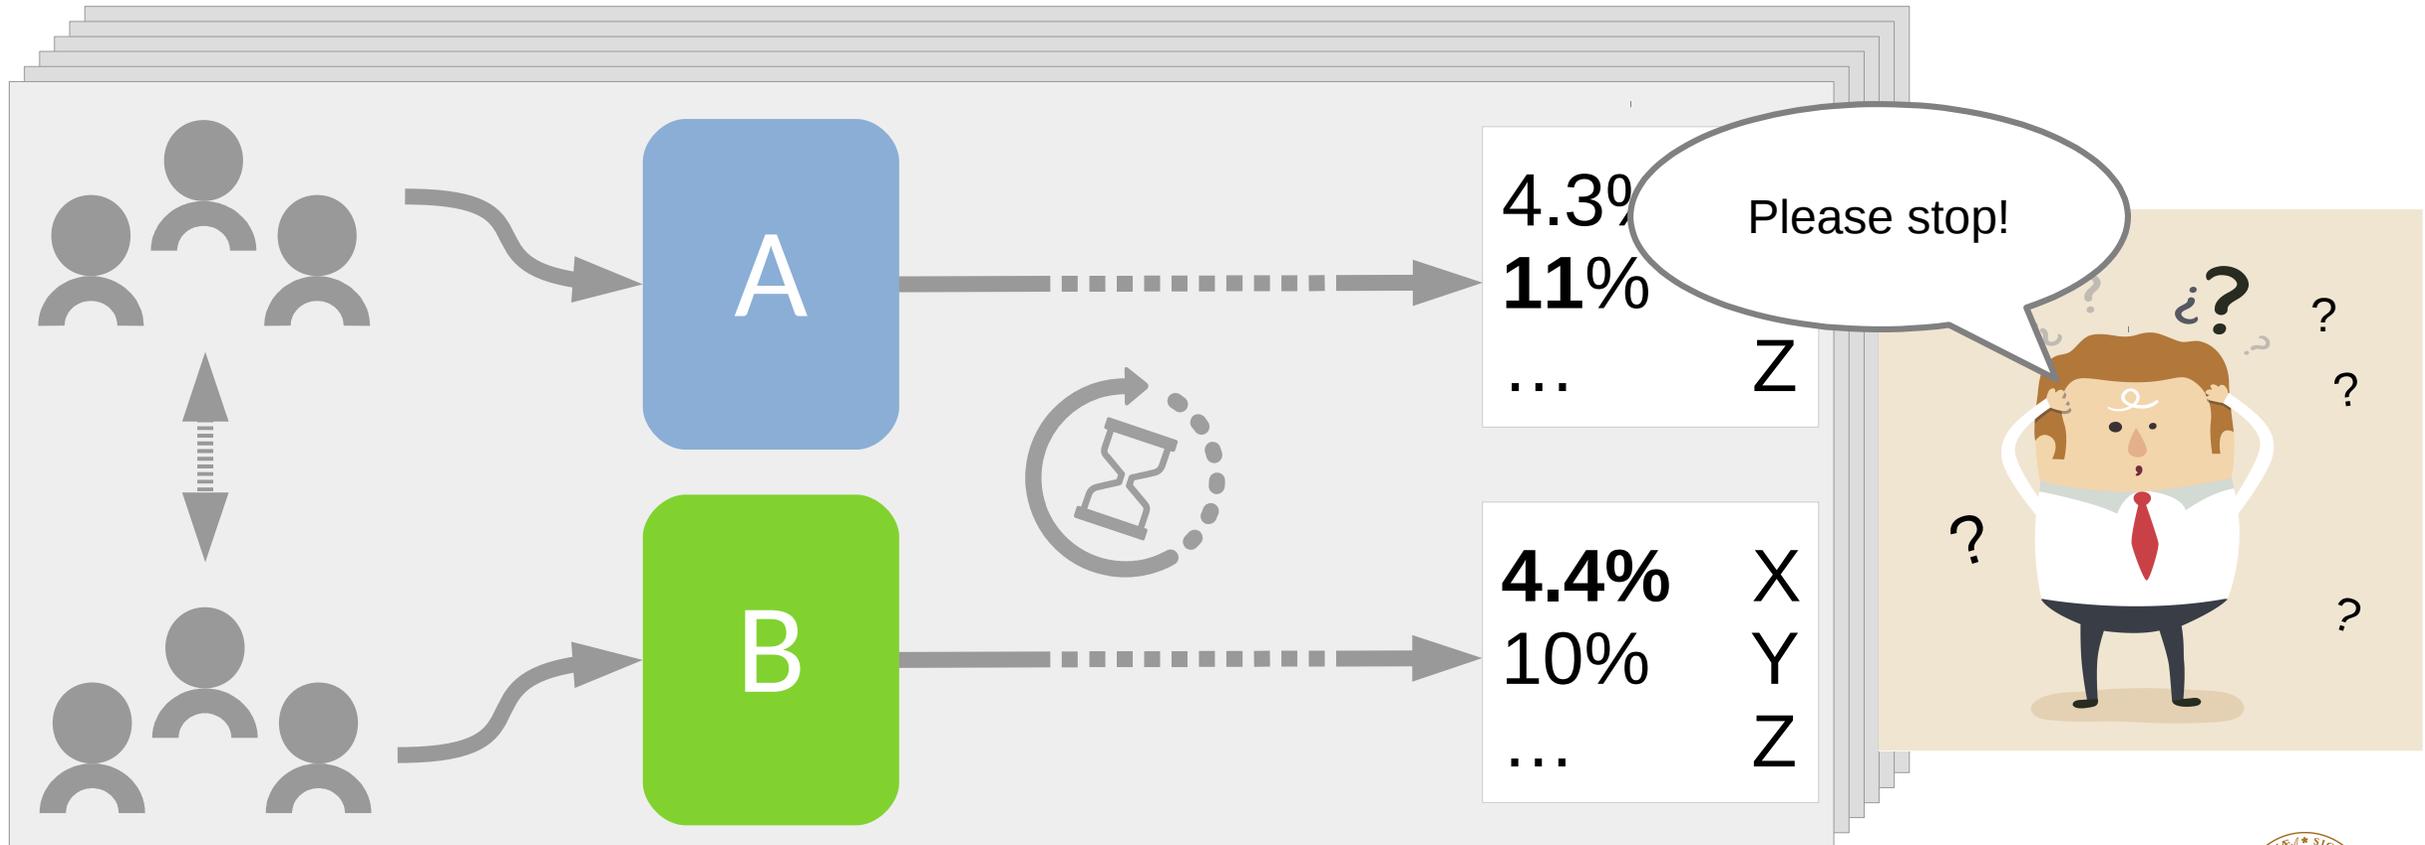

- Learning effects
- Impression effects
- Power calculations
- Multiple testing
- Early stopping
- ...

4.3%	X
<b>11%</b>	Y
...	Z

4.4%	X
10%	Y
...	Z

# A/B Testing

# A/B Test

---

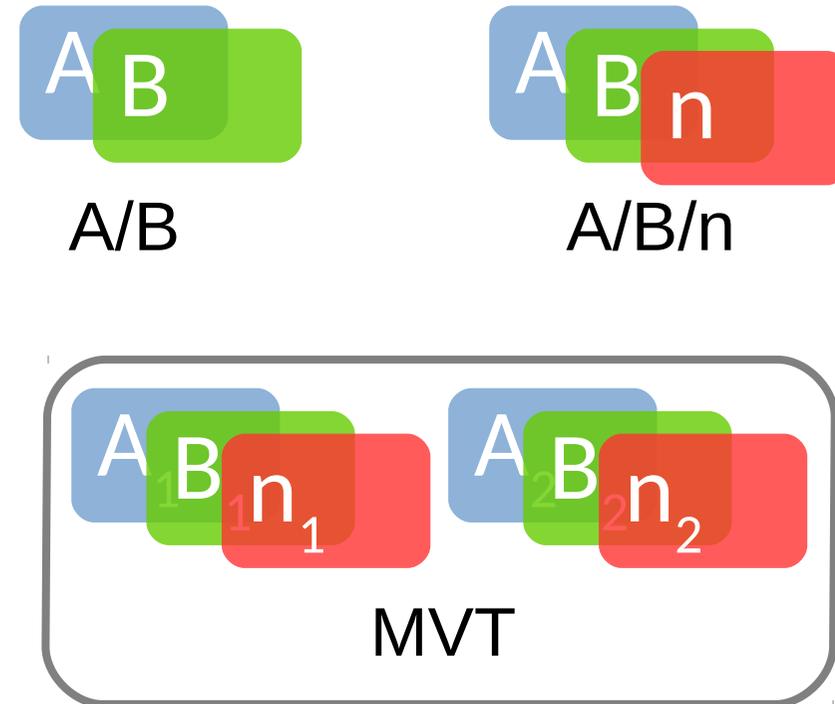

- Controlled experiment
  - 2 groups
  - Metric
  - Hypothesis test
- Also A/B/n test and MVT

# Research Trend

## Seminal paper:

3. Kohavi, Ron, et al. "Controlled Experiments on the Web: Survey and Practical Guide." Data Mining and Knowledge Discovery (SIGKDD) (2009).

# Research Questions

---

- **RQ1** What are the main topics researched within CE and how are they studied?
- **RQ2** Which kind of organizations use CE and which sectors do they operate in?
- **RQ3** With what type of experiments have CE been applied?

# Research Questions

---

- **RQ1** What are the main topics researched within CE and how are they studied?
- **RQ2** Which kind of organizations use CE and which sectors do they operate in?
- **RQ3** With what type of experiments have CE been applied?
