ERRATA

Compact and Efficient Millimetre-Wave Circuits for Wideband Applications

Lars Ohlsson

November 4, 2015

Preface, p. xv: "...Mar. 2015, submitted." *status of Paper II should read* "...Oct. 2015, revision submitted." *as of «major revision» decision on May 23, 2015*

Preface, p. xvi: "...Apr. 2015, submitted." *status of Paper VII should read* "...vol. 51, no. 21, pp. 1671–1673, Oct. 2015." *as the paper has been published*

Chapter 3, p. 25: "...$g_{min} = -4.88$-mS/μm^2 ..." *is incorrect and should read* "...$g_{min} = -5.78$-mS/μm^2 ..." *as resulted from the fitted model and utilised in calculations*

Appendix B, p. 81: *(printed version only)* "...transit-charge per unit area, $q_{trc} = \tau_{trc}g_{res}$, of the RTD is approximated by the resonant-tunnelling conductance per unit area, $g_{res} = \partial J_{res}/\partial V_{CE}$, and..." *is incorrect and should read* "...transit-charge per unit area, $q_{trc} = -\tau_{trc}J_{res}$, of the RTD is approximated by the resonant-tunnelling current density, J_{res}, and..." *as utilised in the model*
