# EXPERT FORESIGHT SURVEY

- An electronic expert survey was carried out by Eurofound in 2007.
- The questionnaire consisted of 16 questions to obtain respondents' opinions about future industrial relations as regards actors, processes, outcomes and general trends in the industrial relations environment.

# RESPONDENTS OF THE SURVEY

- Minimum target from each EU27 member state :
  - 2 trade union representatives (4 in Sweden).
  - 2 employer organisations representatives (4 in Sweden).
  - 2 government representatives (2 in Sweden).
  - 2 academic experts (3 in Sweden).
- Minimum target from Global 7 countries was to get responses from 3 academic experts
- In total 346 responses were received from 34 countries (of which 13 responses from Sweden)

# NUMBER OF RESPONDENTS

**SE: 4 trade union representatives, 4 employer organisations representatives, 2 government representatives and 3 academic experts**

# **INDUSTRIAL RELATIONS ENVIRONMENT**

# FORESIGHT ON WORKING LIFE TRENDS 2007-2025: SWEDEN

Aspect of working life environment	Decrease	Remain the same	Increase	Not applicable
Liberalism in economic policy		53.8	46.2	
Individualism		30.8	69.2	
Flexibility in working life		7.7	92.3
